

IBIZA JOYSAIL REGATTA

Mallorca – Ibiza, Spain
27th – 30th September 2023

NOTICE OF RACE

**AMENDED 15th September 2023 –
includes amendments #1 - #2 - #3**

The 2023 Ibiza JoySail is an invitational Regatta organized by STP Shipyard Palma, Marina Ibiza, Club Náutico de Ibiza and Real Club Náutico de Palma in conjunction with SYRA, under the authority of the Real Federación Española de Vela.

1 RULES

- 1.1 The 2023 Ibiza JoySail regatta will be governed by the rules as defined in *The Racing Rules of Sailing (RRS)*.
- 1.2 The latest version of the following rules will also apply:
 - a) Appendix SY to the RRS; dispensation of this appendix might apply to some performance classes or sub-classes. J Class division will be dispensed from this appendix for their class racing; however, it would be in effect when they meet with the other classes racing at the event.
 - b) ORC Superyacht Rule (ORCSy), including the modifications in compliance with the Corinthian Spirit Class, www.orc.org/superyacht. In addition to these modifications, and in order for a yacht to be accepted as a genuine Corinthian Spirit participant, the OA will require the following:
 - Only one headsail attached to the forestay and furling (one single furling jib)
 - Flying furling sails are allowed (Code 0 type of sails) if declared in the ORCSy certificate.
 - Only one spinnaker is allowed if declared in the ORCSy certificate.
 - The boat should be sailing in fully cruising mode: no cruising material should be disembarked to make the boat lighter, with the exception of the tender, sprayhoods or biminis. A measurer from the event will inspect the boats entering the Corinthian subdivision to make sure they comply with this rule.

-In addition to the permanent crew, only 4 professional sailors (World Sailing Category 3) are allowed on board; they must be declared in the crew list
 - c) Other handicap rules (IRC, ORCi, JCA handicap, ORCmh, etc) could be used as an alternative to the ORCSy in some of the classes or sub-classes. J Class rule will use the JCA handicap for their scoring.
 - d) The World Sailing Offshore Special Regulations Category 3 with life raft for the offshore race and Category 3 without life raft for coastal races. Jackstays need to be fitted on deck for the offshore race only but must remain on board for the rest of the races. This changes OSR 4.04.
 - e) J Class Association Class Rule for J Class Yachts. The J Class will use *Appendix UF Umpired Fleet Racing, J CLASS 2023, Umpired Edition*, except when a J Class yacht meets a boat from another class.
- 1.3 No national authority prescriptions will apply, except that all Spanish nationals and legal residents must be in possession of the federation sports license of the current year.
- 1.4 Staggered or Pursuit starts will apply; this might not apply to some performance classes or sub-classes such as the J Class.
- 1.5 In the event of a discrepancy between the NOR and Sailing Instructions the Sailing Instructions take precedence (this changes RRS 63.7).
- 1.6 If there is a conflict between languages the English text will take precedence.
- 1.7 [NP] denotes a rule that shall not be grounds for protests by a boat. This modifies RRS 60.1 (a)
- 1.8 For the J Class RRS 44.1 is changed so that the Two-Turns penalty is replaced by One-Turn Penalty.
- 1.9 For the Classes using the *Staggered Start*, and under World Sailing Test Rule DR21-01, the definition **Start** is changed as follows:

Powered by:

Supported by:

Official Suppliers:

Start. A boat *starts* when her hull having been entirely on the pre-start side of the starting line, and having complied with rule 30.1 if it applies, any part of her hull crosses the starting line from the pre-start side to the course side either (a) at or after her starting signal, or (b) during the last three minutes before her starting signal.

When a boat *starts* in accordance with item (b) of the definition *Start*, she shall not return to the prestart side of the starting line and she shall be penalized by five minutes in addition to the amount of time she was on the course side of the starting line before her starting signal, added to her elapsed time without a hearing. RRS 29.1 will not apply. This changes RRS A5.1.

Clarification:

For safety reasons it has been common practice at superyacht regattas to prevent yachts that cross the starting line early from restarting, and instead giving them a penalty. Under the 2021-2024 RRS it is no longer possible for the NoR or SIs to make the rule changes necessary for this, because of changes to the definitions Start and Finish, and a new definition Sail the Course. Definitions cannot be changed by NoR or SI, hence World Sailing has made this test rule to allow an alternative penalty for OCS yachts.

2 ELIGIBILITY AND COMPETITORS

- 2.1 Competitors shall comply with World Sailing Regulation 19 - Eligibility Code.
- 2.2 The Ibiza JoySail regatta is open to invited yachts with a LOA above 70 feet and with a valid ORCs^y or JCA certificate, as well as any other category determined by the Organising Authority (OA), according to the interest of the participants.
- 2.3 An invitation will be extended to those eligible yachts determined by the OA and will be sent together with this NOR before June 30th. Yachts may also request an invitation by contacting the OA at info@ibizajoy sail.com
- 2.4 Due to space limitations and in order to guarantee good quality of race management and ashore events the number of boats accepted at the event will be limited.
- 2.5 At the sole discretion of the OA, classes and sub-classes may be created and combined to ensure the best possible competition.
- 2.6 Entrants are required to have current and valid handicap certificates issued by September 18th.
- 2.7 **RRS Afterguard member:** each yacht shall designate one member of the afterguard who is currently active with and has a thorough understanding of the Racing Rules of Sailing (RRS) and submit the completed Compliance Form no later than September 7th. If the RRS Afterguard Member submitted a form at a previous regatta and the name is listed on the SYRA website superyra.org/after-guard, then the yacht is not required to resubmit the form.
- 2.8 The RRS Afterguard Member may be the yacht's helmsman, navigator, racing tactician or communications crew member (who monitors the VHF safety channel) if they meet the stated criteria. This individual's role is to interact closely with the other members of the afterguard. Captains should not be the designated RRS Afterguard Member due to the specific RRS related criteria that this position requires and the fact that the overall safety of the yacht is their responsibility.
- 2.9 The designated RRS afterguard member shall attend all pre-race briefings and will be responsible for ensuring the daily Declaration Form is submitted to the race office as soon as practicable following racing each day, but no later than two hours after finishing.
- 2.10 **SAFE RACING:** this Notice of Race sends the implicit message that the focus is on safe racing, not competitive advantage. It reinforces the fact that the Ibiza JoySail Regatta is a congenial racing event. If the organizing authority receives corroborative or substantiated reports of a yacht being handled in an overly aggressive, un-seamanlike or unsafe manner, it may declare the yacht, the RRS Afterguard Member and/or the racing tactician ineligible for future editions of the Ibiza JoySail regatta.

3 ADVERTISING

- 3.1 Advertising shall be established according to World Sailing Regulation 20.
- 3.2 Yachts will be required to display:
 - a) Event stickers on bothsides of the bow.
 - b) The event backstay flag throughout the regatta for the period starting one hour after the completion of registration and ending one hour after the finish of the last race of the event.
- 3.3 Boats are responsible to inform advertisers and sponsors that no activities advertising any brand will be permitted ashore within the marina area, event village or yacht club without written consent of the OA obtained before the start of the events. Boat/team initiatives regarding team hospitality, promotion, marketing, and PR on the racecourse or within the marina area, event village or yacht club shall be communicated to the OA for its approval well before taking place.

4 ENTRY AND ENTRY FEES

- 4.1 Entries shall be made on the event web site (www.ibizajoyssail.com). The Entry Form, completed in full, insurance policy copy and class certificate / handicap certificate (in any case, read 4.3) shall be received not later than September 1st, accompanied by the following entry fees:

 - 85 ft > LOA < 100 ft ⇒ € 5.650 + VAT. (21%)
 - LOA > 100 ft ⇒ € 6.650 + VAT. (21%)
- 4.2 Entry confirmations will be sent out by email no later than August 15th. The OA retains the right to refuse any entry, following the provision of RRS 76.
The OA is not responsible for any costs incurred by the non-acceptance of a boat's registration.
- 4.3 Entrants are required to have current and valid handicap certificates issued by September the 18th.
- 4.4 Teams entering before April 30th will be eligible for a 10% discount.
- 4.5 Teams that are currently clients of STP Shipyard and/or Marina Ibiza will also be eligible for a 10% discount. Both discounts might be cumulative.
- 4.6 Given the important role that the SYRA plays in promoting safe sailing and fair racing in its sanctioned regattas, noncurrent SYRA members will be charged with an additional 1.100€ over the above-mentioned fees and discounts.
- 4.7 **Insurance: each yacht shall be insured for physical loss of, or damage to, the yacht up to the current market value of the yacht and all its equipment onboard and insured for Third Party Liability risks up to €5,000,000 (or the equivalent in other currencies) for the period of the regatta.**
The captain shall ensure that a Certificate(s) of Insurance (in English) reflecting the above required insurance requirements is carried on board the yacht at all times during the regatta. The yacht's insurer(s) shall be notified of the yacht's participation in the regatta and provided with a copy of the regatta's notice of race.
