

IBIZA JOYSAIL REGATTA

Mallorca - Ibiza, Spain
18th – 21st September 2025

NOTICE OF RACE

The 2025 Ibiza JoySail is an invitational Regatta organized by STP Shipyard Palma, Marina Ibiza, Club Náutico de Ibiza and Real Club Náutico de Palma in conjunction with SYRA and under the authority of the Real Federación Española de Vela.

1 RULES

- 1.1 The 2025 Ibiza JoySail regatta will be governed by the rules as defined in *The Racing Rules of Sailing (RRS)*.
 - a) RRS Appendix WS “*Rules for Waypoints*” will be in force in case waypoints are used as a mark.
- 1.2 The latest version of the following rules will also apply:
 - a) Appendix SY to the RRS; dispensation of this appendix might apply to some performance classes or sub-classes.
 - b) ORC Superyacht Rule (ORCsy), www.orc.org/superyacht.
 - c) Other handicap rules (IRC, ORCi, ORCmh, ...) could be used as an alternative for some classes or sub-classes.
 - d) The World Sailing Offshore Special Regulations Category 4.
- 1.3 No national authority prescriptions will apply, except that all Spanish nationals and legal residents must be in possession of the federation sports license of the current year.
- 1.4 Staggered starts will apply; this might not apply to some performance classes or sub-classes.
- 1.5 In the event of a discrepancy between the NOR and Sailing Instructions the Sailing Instructions will take precedence (this changes RRS 63.5).
- 1.6 If there is a conflict between languages the English text will take precedence.
- 1.7 [NP] denotes a rule that shall not be grounds for protests by a boat. This modifies RRS 60.1.
- 1.8 For the Classes using the *Staggered Start*, and under World Sailing Test Rule DR21-01, the definition **Start** is changed as follows:

Start. A boat *starts* when her hull having been entirely on the pre-start side of the starting line, and having complied with rule 30.1 if it applies, any part of her hull crosses the starting line from the pre-start side to the course side either (a) at or after her starting signal, or (b) during the last three minutes before her starting signal.

When a boat *starts* in accordance with item (b) of the definition *Start*, she shall not return to the prestart side of the starting line and she shall be penalized by five minutes in addition to the amount of time she was on the course side of the starting line before her starting signal, added to her elapsed time without a hearing. RRS 29.1 will not apply. This changes RRS A5.1.

Clarification:

For safety reasons it has been common practice at superyacht regattas to prevent yachts that cross the starting line early from restarting and instead giving them a penalty. Under the 2025-2028 RRS it is no longer possible for the NoR or SIs to make the rule changes necessary for this scenario. The reason for this is the definitions Start and Sail the Course. Definitions cannot be changed, and therefore World Sailing is making this development rule to allow an alternative penalty for OCS yachts.

2 CLASSES

- 2.1 The Ibiza JoySail regatta is open to invited yachts with a LOA above 70 feet and with a valid ORCSy as well as any other category determined by the Organising Authority (OA), according to the interest of the participants.
- 2.2 The OA may use other handicap rules (IRC, ORCi, ORCmh, ...) as an alternative for some categories, classes or sub-classes.
- 2.3 At the sole discretion of the OA, classes and sub-classes may be created and combined to ensure the best possible competition.
- 2.4 Corinthian class: there will be no separate "*Corinthian division/class*" as such; however, boats complying with the requirements described below will compete for the *Corinthian Trophy* in each one of the classes the fleet would be divided, if they do declare so at the time of registration.

In addition to the modifications to the ORCSy rules in compliance with the Corinthian Spirit Class and for a yacht to be accepted as a genuine Corinthian Spirit participant, the OA will require the following:

- Only one headsail attached to the forestay and furling for the duration of the regatta (one single furling jib).
 - Boats with an overlapping furling genoa >115% LP could also have and use a second non overlapping furling jib hoisted on a fixed inner stay.
 - One flying furling sail (Code 0 type) is allowed if declared in the ORCSy certificate.
 - One spinnaker is allowed if declared in the ORCSy certificate.
 - In addition to the permanent crew, only 4 professional sailors (World Sailing Cat. 3) are allowed on board; they shall be declared in the crew list.
 - The boat should be sailing in fully cruising mode: no cruising material should be disembarked to make the boat lighter, other than the tender, sprayhoods or biminis and anchor and chain (the last shall be declared in the rating certificate). A measurer from the event will inspect the boats entering the Corinthian subdivision to make sure they comply with this rule.
- 2.5 Non spinnaker class: there will be no separate "*non spinnaker division/class*" as such; however, boats deciding not to fly a spinnaker will declare so in their ORCSy certificate and will be rated accordingly when racing against the rest of the boats in their class which may be flying a spinnaker.

Given the benign wind conditions of the venue and the configuration of the courses with plenty of downwind legs, the OA strongly recommends boats entering the event to fly a spinnaker, provided it can be done safely.

3 ELIGIBILITY AND COMPETITORS

- 3.1 Competitors shall comply with World Sailing Eligibility Code.
- 3.2 An invitation will be extended to those eligible yachts determined by the OA and will be sent together with this NOR before June 30th. Yachts may also request an invitation by contacting the OA at info@ibizajoy sail.com
- 3.3 Due to space limitations and in order to guarantee good quality race management and ashore events the number of boats accepted at the event will be limited.
- 3.4 Entrants are required to have current and valid handicap certificates issued by September 16th. No modifications will be accepted after that date.
- 3.5 **RRS Afterguard member**: each yacht shall designate one member of the afterguard who is currently active with and has a thorough understanding of the Racing Rules of Sailing (RRS)

and submit the completed Compliance Form no later than September 7th. If the RRS Afterguard Member submitted a form at a previous regatta and the name is listed on the SYRA website superyra.org/after-guard, then the yacht is not required to resubmit the form.

- 3.6 The RRS Afterguard Member may be the yacht's helmsman, navigator, racing tactician or communications crew member (who monitors the VHF safety channel) if they meet the stated criteria. This individual's role is to interact closely with the other members of the afterguard. Captains should not be the designated RRS Afterguard Member due to the specific RRS related criteria that this position requires and the fact that the overall safety of the yacht is their responsibility.
- 3.7 The designated RRS afterguard member shall attend all pre-race briefings and will be responsible for ensuring the daily Declaration Form is submitted to the race office as soon as practicable following racing each day, but no later than two hours after finishing.
- 3.8 **SAFE RACING:** this Notice of Race sends the implicit message that the focus is on safe racing, not competitive advantage. It reinforces the fact that the Ibiza JoySail Regatta is a congenial racing event. If the organizing authority receives corroborative or substantiated reports of a yacht being handled in an overly aggressive, un-seamanlike or unsafe manner, it may declare the yacht, the RRS Afterguard Member and/or the racing tactician ineligible for future editions of the Ibiza JoySail regatta.

4 [NP][DP] ADVERTISING

- 4.1 Advertising shall be established according to World Sailing Advertising Code.
- 4.2 Yachts will be required to display:
 - a) Event stickers on both sides of the bow.
 - b) The event backstay flag throughout the regatta for the period starting one hour after the completion of registration and ending one hour after the finish of the last race of the event. Boats attempting the Mallorca to Ibiza record (see NOR 6) will also be required to fly the event backstay flag.
 - c) The event battle flag to be hoisted at the forestay while the boat is moored at the marina.
- 4.3 The regatta has its own sponsorship policy so yachts should obtain prior approval if they wish to promote and/or display their own sponsors.

Boats are responsible to inform advertisers and sponsors that no activities advertising any brand will be permitted ashore within the marina area, event village or yacht club without written consent of the OA obtained before the start of the event.

Boat / team initiatives regarding team hospitality, promotion, marketing, and PR on the racecourse or within the marina area, event village or yacht club shall be communicated to the OA for its approval well before taking place. This includes branded vehicles of any type, branded containers or any other non-event sponsor branded support.

5 ENTRY AND ENTRY FEES

- 5.1 Entries shall be made through the event web site (www.ibizajoy sail.com). The Entry Form, completed in full with insurance policy copy and current insurance payment shall be received not later than September 1st, accompanied by the following entry fees:
 - 70 ft > LOA < 85 ft ⇒ € 5.950 + VAT (21%)
 - 85 ft > LOA < 100 ft ⇒ € 7.950 + VAT (21%)
 - LOA > 100 ft ⇒ € 8.950 + VAT (21%)

Please be aware that the number of boats accepted is limited. Therefore, boats that have submitted the completed registration form, insurance documentation and proof of entry fee payment will be considered registered. Once the maximum number of registered boats is reached, those boats that have not completed the registration process will be moved to the waiting list.

- 5.2 Teams that are currently clients of STP Shipyard and/or Marina Ibiza will be eligible for a 10% discount.
- 5.3 Given the important role that the SYRA plays in promoting safe sailing and fair racing in its sanctioned regattas, current SYRA members will have a discount of 1.100€ over the above-mentioned fees and discounts.
- 5.4 Entrants are required to have current and valid handicap certificates issued by September the 16th.
- 5.5 Insurance: each yacht shall be insured for physical loss of, or damage to, the yacht up to the current market value of the yacht and all its equipment onboard and insured for Third Party Liability risks up to €5,000,000 (or the equivalent in other currencies) for the period of the regatta.

The captain shall ensure that a Certificate(s) of Insurance (in English) reflecting the above required insurance requirements is always carried on board the yacht during the regatta. The yacht's insurer(s) shall be notified of the yacht's participation in the regatta and provided with a copy of the regatta's notice of race.

- 5.6 Entry confirmations will be sent out by email no later than August 15th. The OA retains the right to refuse any entry, following the provision of RRS 76.

The OA will not be responsible for any costs incurred by the non-acceptance of a boat's registration.
